Department of Mathematics and Statistics
Comprehensive Examination Approval Form
For IPh.D Students with Mathematics as the Co-discipline

[Instruction: STUDENT should complete Section I of this form (with UMKC Advising Transcript attached, when applicable) and submit to the current IPh.D. Coordinator of the Mathematics discipline for signature at least SEVEN (7) WEEKS prior to the date comprehensive examination is to be administered. The Co-Discipline Committee member(s), who serves as member(s) of the examining committee, signs this form and forwards it to the IPh.D. Coordinator of Mathematics, and the Student will receive the signed form from the IPh.D. Coordinator of Mathematics within a week. At that point, the student will file the APPLICATION FOR INTERDISCIPLINARY DOCTORAL COMPREHENSIVE EXAMINATION AND REQUEST FOR APPOINTMENT OF EXAMINING COMMITTEE following the regulation of the SCHOOL OF GRADUATE STUDIES]

* * * Please type or print clearly * * *

I. APPLICATION FOR DEPARTMENTAL APPROVAL ON PASSING THE COMPREHENSIVE EXAMINATION IN THE MATHEMATICS CO-DISCIPLINE (to be completed by the applicant)

STUDENT'S NAME: ___________________________________________________ UMKC ID#: __________________

Student’s Coordinating Discipline:

Co-Discipline(s) __________ Mathematics

Date(s) or extended time period over which examination is to be conducted: ___________________________________________

Discipline-specific regulations (must satisfy the following requirement):

Discipline-specific four courses in Mathematics and Statistics:

<table>
<thead>
<tr>
<th>Course title</th>
<th>Semester taken (e.g. FS2010)</th>
<th>Grade received</th>
</tr>
</thead>
<tbody>
<tr>
