UNIVERSITY OF MISSOURI

UMKC Physics Department Machine Shop

HOLD HARMLESS RELEASE AGREEMENT

1. I know that use of power tools, lathes, mills and other machine shop tools is a potentially hazardous activity and I agree that my participation in this activity is entirely voluntary. I know I should not enter this activity unless I am medically able to participate and by signature below attest that I am medically fit to participate. I know that the hazards of this activity include, but are not limited to: lacerations, amputations, contusions, punctures, burns, crushing injuries, injuries due to entanglements and injuries from equipment failure.

I further state that I am aware that resulting injuries can range from minor to serious including broken bones, loss of limbs, loss of sight, infections, paralysis and death.

2. That in consideration of my use of the resources of the UMKC Physics Department Machine Shop, I agree, on behalf of myself, my assigns, executors and heirs, to release and hold harmless the Curators of the University of Missouri and their trustees, officers, employees and agents from any and all liability, damage or claim of any nature whatsoever arising out of my use of the facilities and resources.

3. Further, I agree to wear all appropriate personal protective equipment and to follow all policies, procedures and safety processes outlined in machine shop training programs.

4. I understand that the University does not provide any accident or medical insurance.

5. I have read and understand the terms of this Release and agree to all terms and conditions.

6. I am of lawful age and legally competent to sign this waiver and release, and I have signed this document as my own free act.

7. I hereby consent to any publicity, including the use of my name and likeness, in connection with my use of the UMKC Physics Department Machine Shop.
